

Hi-Wire Loves AVL Series is a way for us to express our feelings for Asheville, NC and work (play) with some of our favorite breweries that make this brew community one of the best in the country (world). Our collab with Zebulon Brewing is a classic dry English Stout brewed as a tribute to American ethnobotanist Terence McKenna. This traditional adjunct-free stout sports roast and chocolate notes over a sweet, bready malt base.

7.5% ABV **70 IBU**

COLOR: Dark Chocolate | YEAST: Ale
