

Our Session Sour Mixed 12-pack includes four 12oz cans each of our bright and refreshing fruited sour ale series. Raspberry fruit sweetness is balanced with just the right amount of lemony zip in our Pink Lemonade variant, while the cocktail-inspired Lemon Drop features eye-opening lemon, ginger, and rosemary. Our newest Sweet Tea version combines tart lemons with just the right amount of sweetness in a crushable treat that's best paired with fried chicken and porch hangouts. Grab all three of these lip smacking sour beers brewed for those warmer days in one incredible mixed 12-pack box.
