

HI-WIRE®

B R E W I N G

South End IPA was brewed as a tribute to our shared neighborhood in Charlotte, NC with our friends at Resident Culture. In this timeless West Coast-style IPA that both breweries adore we used legendary Weyermann Pilsner malt and local to NC grown Vienna from Epiphany to build the perfect grain bill for Strata, Simcoe, and Amarillo from VSG Farms to shine. With notes of lush tropical fruit, cannabis, and citrus peel - this instant classic was crafted "to Charlotte with love".
