

Pollen Bomb Hazy IPA is brimming with bright citrus, tropical fruit, and floral notes from juicy American hops but doesn't lack for a dank and sticky-pine kick on the finish. Bountiful additions of Citra and Strata hops are balanced by a full-bodied and pillowy mouthfeel that will have you dipping in sip after sip like a happy bee in the sunshine.

7.2% ABV **40 IBU**

COLOR: Hazy Yellow | YEAST: Ale
