

This three way collaboration ties two of Asheville's stalwart breweries with an elite hop producer in Virgil Gamache Farms from Yakima County, WA. This "West Coast" inspired Hazy IPA showcases a number of hops from VGF in Amarillo, Cascade, Vista, and Chinook. Approachable, pillowy and soft-drinking, this hybrid IPA is deliciously vibrant and showcases a hop blast of candied orange, tropical pineapple, bright grapefruit, and stone fruit with a pleasing pine backbone.
