HOP CIRCUS

PURPLE RESIN IPA
EXTRA DANK INDIA PALE ALE

Get a whiff of this EXTRA-dank IPA and you'll be wondering if you just stumbled upon someone's secret stash. Citrus, sticky icky pine, and resinous hops lay the base, while Abstrax Blackberry Kush terpenes roll up with notes of dark berry, subtle spice, and earth. Hazy gold and lighter-bodied, it drinks smooth but keeps you riding high. For the hop heads who like their IPAs bold, aromatic, and extra dank.
